

MOTA-ENGIL ANNOUNCES THE SIGNING OF A CONTRACT IN MOZAMBIQUE AMOUNTING TO USD 207 MILLION

MOTA-ENGIL S.G.P.S., S.A. (MOTA-ENGIL) informs that a contract was signed by its subsidiary MOTA-ENGIL AFRICA (in a consortium with Bonatti Spa - 50%), to develop the "Early Works" for Area 4 of Mozambique Rovuma Ventures, led by ExxonMobil, located on the Afungi peninsula in Cabo Delgado, Mozambique.

The works include earthmoving, infrastructure, the construction of the 2nd phase of the Pioneer Camp, the construction of the Operational Camp and complementary structures, as well as the operation and maintenance of the camps. The contract amounts to USD 207 million and will have a term of 27 months, with work starting immediately.

With this award, the GROUP reinforces its backlog in Mozambique, in a geographical area with great growth potential.
