MOTA-ENGIL INFORMS ABOUT THE SIGNING OF THE CONCESSION AGREEMENT FOR THE ROTA DOS SERTÕES IN BRAZIL

MOTA-ENGIL S.G.P.S., S.A. (MOTA-ENGIL) hereby announces that its subsidiary MOTA-ENGIL BRASIL, S.A., a member of Consórcio 116 Sertões (the Consortium), led by Nova Infra Investimentos, has signed the concession agreement for the development, operation, maintenance, preservation, modernisation and capacity expansion of Rota dos Sertões, in Brazil.

The concession, with a 30-year term, covers approximately 502 km of the BR-116/BA, BR-116/PE and BR-324/BA highways, providing the road connection between the Feira de Santana Bypass, in the State of Bahia, and Salgueiro, in the State of Pernambuco. MOTA-ENGIL holds a 33% stake in the Consortium, alongside Nova Infra Investimentos, with 34%, and Galápagos Participações, with 33%.

The agreement provides for an estimated total investment of approximately BRL 4.1 billion (approximately €700 million), including the duplication of approximately 108 km of roads, the construction of approximately 5 km of additional lanes and 45 km of frontage roads, as well as works aimed at pavement rehabilitation, improving road safety, modernising operating systems and increasing the capacity of the corridor.

With this award, the GROUP strengthens its presence in the Brazilian road concession market, consolidates its backlog in Latin America and continues to diversify its project portfolio, securing a sustainable revenue stream over the medium and long term.
